## **COMPLY365 ADDS TO MULTI-YEAR CONTRACT WITH GLOBAL AVIATION HOLDINGS**

*Strategic purchase helps leading international contract carrier streamline operations with a single solution that tracks documentation, training and compliance across the entire airline.*

Roscoe, IL – Comply365 announced today that it added to its contract with North American Airlines, a wholly owned subsidiary of Global Aviation Holdings. Global Aviation and another wholly owned subsidiary– World Airways – signed a multi-year contract for Comply365’s Document & Communication Manager and LMS Manager software solutions.

Global Aviation Holdings is the world’s largest commercial provider of charter air transportation for the U.S. military and a major provider of worldwide commercial global passenger and cargo air transportation services.

North American Airlines has been using Comply365 Document & Communication Manager and LMS Manager for 12 months. Management has already seen the significant impact Comply365 solutions have had on the airline’s operations and bottom line. Employees have been impressed with how easy the software is to use as well.

Comply365 solutions will streamline the entire airline’s document management, training, reporting and compliance processes. “Airlines are facing extreme cost pressures and the stakes are high to keep everyone in the know and in compliance regardless of their location. Now they can have current information at their fingertips on any device and easily remain in compliance on a daily basis,” commented Kerry Frank, CEO of Comply365.

“We are thrilled our software has been a success for them and allowed Global Aviation Holdings and its subsidiaries to realize immediate and significant results. We are pleased to partner with the entire Global Aviation operation,” said Frank.

### **About Global Aviation Holdings**

Global Aviation Holdings, through its wholly owned subsidiaries, World Airways and North American Airlines, is the largest provider of charter air transportation for the U.S. military, and a major provider of worldwide commercial passenger and cargo charter air transportation services.

Global offers a combined fleet of 29 cargo and passenger aircraft and takes pride in being the leader in customized air transportation with a fleet of B747, MD11, B767 and B757 aircraft.
